

AS 500

Condensadores

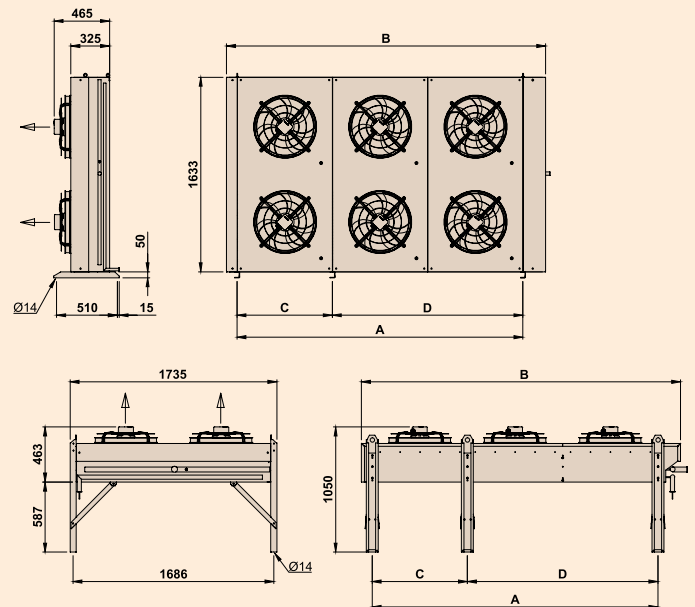

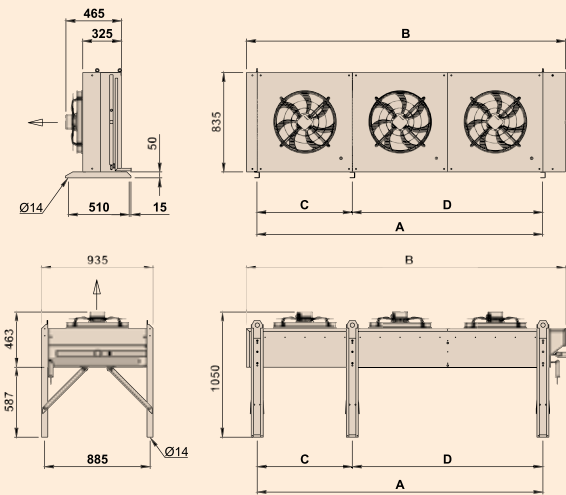

Los condensadores están fabricados con una carrocería de chapa galvanizada y lacada en blanco o inoxidable bajo pedido.

La batería esta realizada con tubo de cobre de \varnothing 10mm y aleta de aluminio con paso de aleta 2.1 mm.

Los ventiladores son trifásicos para la serie 500.

AS 630

Condensadores

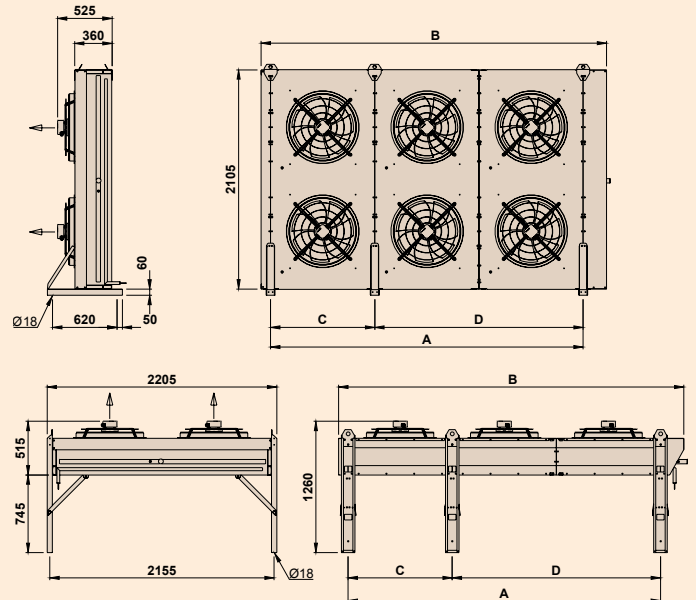

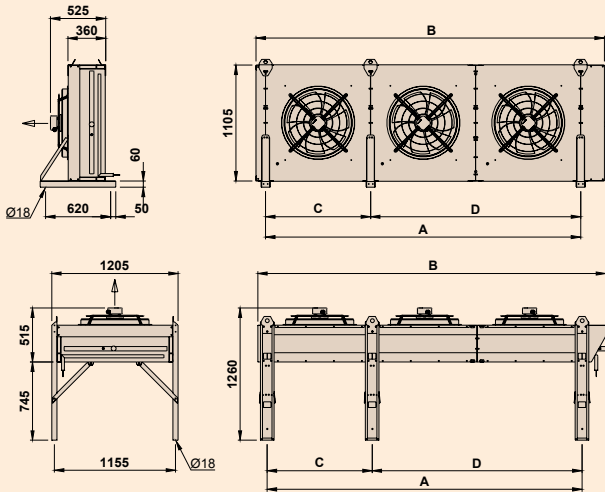

Los condensadores están fabricados con una carrocería de chapa galvanizada y lacada en blanco o inoxidable bajo pedido.

La batería esta realizada con tubo de cobre de Ø 10mm y aleta de aluminio con paso de aleta 2.1 mm.

Los ventiladores son trifásicos para la serie 630.

AS 800

Condensadores

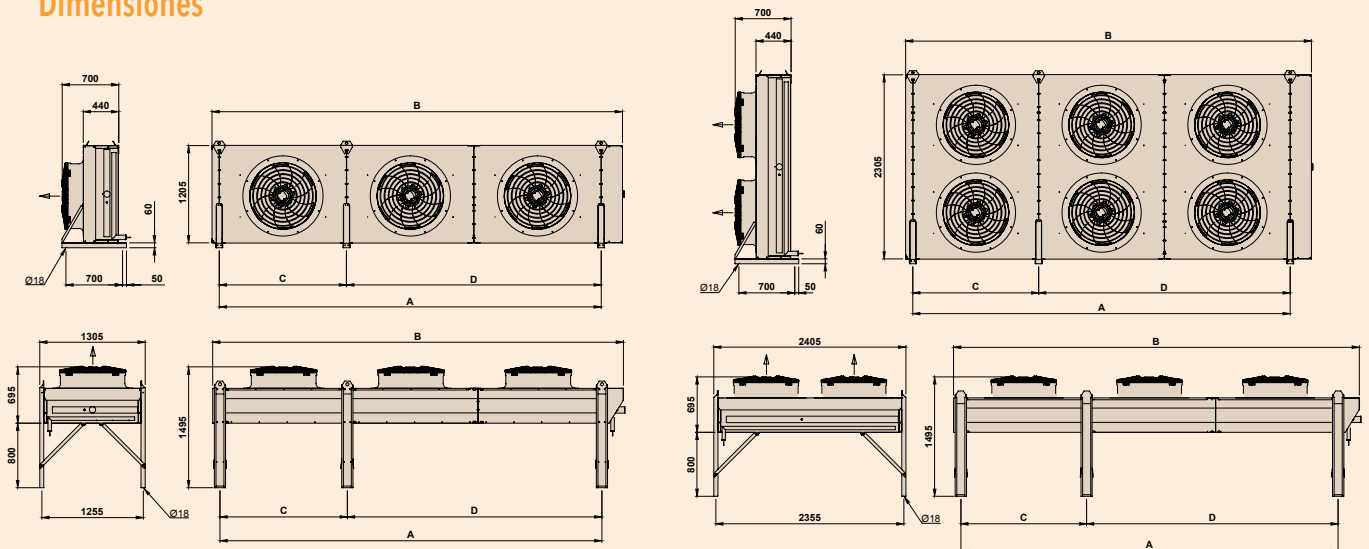

Los condensadores están fabricados con una carrocería de chapa galvanizada y lacada en blanco o inoxidable bajo pedido.

La batería está realizada con tubo de cobre de \varnothing 10mm y aleta de aluminio con paso de aleta 2.1 mm.

Los ventiladores son trifásicos para la serie 800.
